

Monthly Performance Scenario

This document provides you with information on performance scenarios.
What you will get from this product depends on future market performance.

Field has no value

Monthly Performance Scenarios

The scenarios shown illustrate how your investment could perform. You can compare them with the scenarios of other products. The scenarios presented are an estimate of future performance based on evidence from the past on how the value of this investment varies and are not an exact indicator.

Currency is provided in US Dollar

			Scenarios							
			Stress		Unfavourable		Moderate		Favourable	
Date	Example Investment	Term	What you might get back after costs (USD)	Avg return/year (%)	What you might get back after costs (USD)	Avg return/year (%)	What you might get back after costs (USD)	Avg return/year (%)	What you might get back after costs (USD)	Avg return/year (%)

REALOBJECTS PDFReactor®

Evaluation Version

This PDF document was created by an evaluation version of RealObjects PDFReactor 11.6.10 (15798). The evaluation version is fully functional, but includes this information page. It must not be used for production purposes. The information page and all other evaluation notices must not be removed from the PDF file.

NOTE: Conversions in evaluation mode might be slower and the results might have a larger file size than in production mode.

About PDFReactor

RealObjects PDFReactor is a powerful formatting processor for converting HTML and XML documents into PDF. It uses Cascading Style Sheets (CSS) to define page layout and styles. The server-side tool enables a great variety of applications in the fields of ERP, eCommerce and Electronic Publishing.

PDFReactor supports HTML5, CSS3 and JavaScript.

It allows you to dynamically generate PDF documents such as invoices, delivery notes and shipping documents on-the-fly. PDFReactor allows you to easily add server-based PDF generation functionality to your application or service. Since PDFReactor runs on a server, the end-user in general does not need any software other than a PDF viewer.
