

Past Performance

This document provides you with information on past performance.

Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future. It can help you to assess how the fund has been managed in the past.

Past Performance

This chart shows the fund's performance as the percentage loss or gain per year over the last 1 years.

You should be aware that past performance is not a guide to future performance.

Fund launch date: 15/12/2022

Share/unit class launch date: 15/12/2022

Performance is calculated in USD

The chart shows how much the Fund increased or decreased in value as a percentage in each year, net of charges (excluding entry charge), and net of tax.
