

Ravenscroft Global Income

Fund Objective

The Global Income Fund's objective is to provide investors with an income yield that competes with prevailing cash rates while delivering some capital growth. This income stream can be re-invested to provide a cautious approach to capital growth. The fund invests in a global portfolio of bonds and dividend paying equities with an emphasis on quality and value. Ravenscroft Global Income is a sub-fund of the Ravenscroft Investment Fund Offshore; an open-ended, multi-class Unit Trust authorised as a Class B Scheme by the Guernsey Financial Services Commission.

All funds carry certain risks, and it is important to consider these risks before making an investment decision. The value of investments and any income derived from them is not guaranteed; they can both fall and rise and may be eroded in real terms by the effects of inflation.

Key factors that may increase these risks include, but are not limited to:

- The proportion of assets held overseas,
- Any concentration in specific geographic areas or industry sectors,
- The amount invested in property or property-related shares,
- The use of derivatives and other financial instruments intended to generate outperformance,
- Additional charges that may reduce the number of units you hold.
