- 9) Let's be clear on the timelines we're aiming for.
- 10) I'd like everyone to come away with action points that are clear and manageable.

Encouraging Collaboration

- 1) Let's hear everyone's thoughts on this matter before moving forward.
- 2) I encourage everyone to chime in with their ideas.
- 3) Feel free to share your feedback; all perspectives are valuable.
- 4) Let's work together to find the best solution for this.
- 5) Your input is crucial for us to move ahead with the right approach.
- 6) Does anyone have suggestions that could improve this proposal?
- 7) Let's brainstorm some ideas and see what everyone thinks.
- 8) We need a collective effort to make this work, so let's collaborate.
- 9) It's important we get input from all departments to make a well-rounded decision.
- 10) Let's take a moment to listen to [Name]'s perspective on this topic.

Delegating Tasks

- 1) I'll assign this task to [Name] based on their expertise in this area.
- 2) Let's break down this task, and I'll delegate the components.
- 3) Can [Name] take lead on this initiative? You're best suited for this.
- 4) I'll trust you with this responsibility and expect updates at [interval].
- 5) Let's make sure to delegate appropriately to avoid overlapping efforts.
- 6) Can you handle the research part, while [Name] works on the implementation?
- 7) I think [Name] is in the best position to move forward with this.
- 8) Let's assign this action item to [Name], and we'll review progress next week.
- 9) I'll handle the communication, and [Name] will take care of the technical side.
- 10) I'll delegate the documentation to [Name], as they have the most experience.

Asking for Clarification

- 1) Could you clarify what you meant by [specific point]?
- 2) I'm not sure I understand; can you explain that in more detail?
- 3) Can you give an example of what you're referring to?
- 4) I'd like a bit more detail on that, please.
- 5) Could you walk me through your thought process on this?
- 6) I'm not sure I follow – can you elaborate on that?
- 7) Can you help me understand the reasoning behind this decision?
- 8) Could you clarify how this fits with our overall strategy?
- 9) I'm a bit unclear on that point – could you explain it again?
- 10) Just to clarify, you're suggesting that we proceed with [option], correct?

Managing Time

- 1) Let's keep track of time to ensure we address all topics today.
- 2) We've spent a lot of time on this issue, let's move on to the next item.
- 3) We're running short on time; let's focus on the key points.
- 4) We have 10 minutes left, let's wrap up this discussion and move to the next topic.
- 5) Let's allocate a few more minutes to this topic before we conclude.
- 6) We're approaching the end of our meeting, let's summarize the main points.
- 7) I suggest we continue this discussion after the meeting to respect everyone's time.
- 8) Let's be mindful of the clock to ensure we cover everything we need to.
- 9) We have about 15 minutes remaining – let's prioritize what's left.
- 10) To respect everyone's time, let's aim to conclude within the next few minutes.

Making Suggestions

- 1) One approach we could consider is...
- 2) What if we tried [suggestion] to improve things?
- 3) I would recommend looking into [option], as it could benefit us.
- 4) Another option would be to explore [suggestion].
- 5) Perhaps we should consider [idea] to streamline the process.
- 6) Have we thought about trying [suggestion] to address this?
- 7) What if we adjusted [aspect] to better align with our goals?
- 8) I think it would be worth considering [suggestion] as an alternative.
- 9) An option worth exploring is [idea], which could be effective.
- 10) I'd suggest we look into [idea] to potentially solve this issue.

Acknowledging Challenges

- 1) We are facing some challenges here, but I believe we can work through them.
- 2) It's a tough situation, but we have the skills to overcome it.
- 3) I understand the concerns, let's find a way to address them.
- 4) There's a challenge here, but we're all capable of solving it.
- 5) I know this is difficult, but let's focus on finding a solution.
- 6) We've encountered some roadblocks, but let's brainstorm ways to get past them.
- 7) This is a tough problem, but with collaboration, we can overcome it.
- 8) Let's acknowledge the challenge and focus on how we can turn it around.
- 9) I see where the difficulties are, but there are ways to resolve them.
- 10) This may be a complex issue, but I'm confident we can tackle it together.

Requesting Input or Ideas

- 1) I'd love to hear your thoughts on this proposal.
- 2) Does anyone have any additional suggestions or feedback?
- 3) What are your ideas on how we can improve this?
- 4) I'm interested to know what everyone thinks about this approach.
- 5) What do you think would be the best way to handle this situation?
- 6) Does anyone have a different perspective on this matter?
- 7) Let's open the floor for ideas – what are some solutions we can try?
- 8) I'd appreciate hearing your insights before we make a final decision.
- 9) What's your take on this challenge? Any ideas on how we can solve it?
- 10) Let's go around the table and hear everyone's opinion on this.

- 5) It's good to see how far we've come; let's keep moving forward.
- 6) We're making steady progress – let's continue with this approach.
- 7) I'm impressed with the improvements we've seen in this area.
- 8) The progress we've made is encouraging, let's keep up the pace.
- 9) We've made significant strides, and it's looking good so far.
- 10) The work completed so far is impressive, and we're on track for success.

Handling Conflicts or Disagreements

- 1) I see where you're coming from, but let's consider another perspective.
- 2) Let's agree to disagree on this point, but keep the conversation constructive.
- 3) It seems we have differing views, but let's find a common ground.
- 4) I understand your point, but let's try to resolve this with a compromise.
- 5) We may not agree on everything, but let's focus on finding a solution.
- 6) Let's make sure we respect each other's viewpoints while finding a middle ground.
- 7) I think we should discuss this further offline to avoid derailing the meeting.
- 8) Let's take a step back and reframe the issue so we can address it productively.
- 9) It seems there's a disagreement, but we'll resolve it by [specific approach].
- 10) We need to keep this professional and focus on resolving the issue, not the conflict.

Requesting Updates

- 1) Can you provide an update on the status of this task?
- 2) What's the current progress on this item?
- 3) Could you give us an update on where things stand?
- 4) Can we get a quick status report from each team member?
- 5) How are we progressing with [project/task]?
- 6) Could you share the latest developments on this?
- 7) I'd appreciate it if you could update us on your progress.
- 8) Can we have a quick check-in to see how things are progressing?
- 9) Let's take a moment to review the updates before moving forward.
- 10) What are the key updates we need to be aware of?

Handling Delays

- 1) It looks like we're running behind; let's adjust the schedule.
- 2) We're facing some delays, but we'll make sure to catch up.
- 3) We've encountered some setbacks, but let's figure out how to move forward.
- 4) This delay has pushed us back a bit, but we'll need to stay on track.
- 5) I know we've hit a delay, but we can still make progress by [action].
- 6) This issue is taking longer than expected, but let's regroup and refocus.
- 7) The delay is unfortunate, but we can work around it by [solution].
- 8) We've experienced a setback, but let's brainstorm ways to recover time.
- 9) We may be delayed, but we can still reach our goals with some adjustments.
- 10) This delay doesn't derail us; let's ensure we make the most of the time we have.

Recognizing Team Effort

- 1) I want to thank everyone for their hard work and dedication.
- 2) This accomplishment wouldn't have been possible without the team's effort.
- 3) I appreciate the collective effort in achieving this milestone.
- 4) Well done to the whole team for getting this over the line.
- 5) Your teamwork and collaboration have been outstanding.
- 6) Thank you for everyone's contribution – we couldn't have done it without you.
- 7) This success is a reflection of the hard work put in by the entire team.
- 8) Let's give credit where it's due – everyone's contributions have made a difference.
- 9) Your teamwork has been exemplary, and it's paid off.
- 10) I appreciate the support from everyone; this was truly a team effort.

Setting Deadlines

- 1) Let's set a clear deadline for this task so we can stay on track.
- 2) We need to establish a firm deadline to ensure timely completion.
- 3) Let's agree on a target date for this deliverable.
- 4) What's a realistic deadline for this task, and can we commit to it?
- 5) We need to finalize the deadline for this by the end of today.
- 6) Let's set a reasonable timeline to ensure we meet our goals.
- 7) We can't afford to miss this deadline, so let's prioritize this task.
- 8) Let's mark a deadline on this and ensure everyone works towards it.
- 9) I'd like to set a concrete deadline to keep this project moving forward.
- 10) Can we agree on a deadline for this phase, and how do we ensure we meet it?

Addressing Concerns

- 1) I hear your concerns, and we'll make sure to address them.
- 2) Let's talk about any concerns you have and find ways to resolve them.
- 3) I understand your concern, but here's how we can move forward.
- 4) It's important that we address these concerns to prevent future issues.
- 5) I appreciate your feedback, let's find a solution to the concern raised.
- 6) Let's take a moment to discuss the concern and see how we can mitigate it.
- 7) We need to address these issues before proceeding with the next steps.
- 8) I can see the challenge here, let's figure out how to overcome it together.
- 9) Let's discuss these concerns in detail and come up with a plan.
- 10) Your concerns are valid; let's ensure we take the necessary steps to resolve them.

Discussing Risks

- 1) We need to assess the potential risks before proceeding.
- 2) There are a few risks we should be aware of.
- 3) Let's take a moment to evaluate the risks associated with this approach.
- 4) It's important that we identify potential risks early on.
- 5) We need to mitigate these risks to avoid setbacks.
- 6) Let's discuss how we can minimize the risks moving forward.
- 7) We should weigh the risks and rewards of this decision.
- 8) Is anyone aware of any additional risks we should be considering?
- 9) I think we need to address these risks before we move ahead.
- 10) Let's create a contingency plan to deal with the possible risks.

Discussing Resources

- 1) Do we have the necessary resources to execute this plan?
- 2) Let's make sure we have enough resources to meet our targets.
- 3) We need to allocate resources effectively to avoid bottlenecks.
- 4) Can we reassess our resource allocation to make sure we're covered?
- 5) What additional resources would be beneficial to complete this project?
- 6) Let's evaluate if our current resources are sufficient for the task.
- 7) We may need to increase our resources in [area] to meet the deadline.
- 8) Let's take stock of the resources we have and plan accordingly.
- 9) Are there any resource constraints that might impact our timeline?
- 10) We should ensure the team has the necessary tools and resources to succeed.

Collaborating Across Teams

- 1) Let's ensure we're collaborating effectively with other teams.
- 2) It's essential that we work closely with [team] to align on goals.
- 3) We need to communicate and collaborate with the other departments involved.
- 4) It's important that we share information between teams to avoid duplication.
- 5) Let's set up a meeting with [team] to sync on this.
- 6) Collaboration between our teams will be key to the success of this project.
- 7) We need to ensure open communication between all teams working on this.
- 8) Let's collaborate with [team] to get their input on this.
- 9) How can we strengthen collaboration with other teams to streamline this process?
- 10) Working together with [team] will ensure we stay aligned on priorities.

Setting Expectations

- 1) Let's make sure we're all aligned on the expectations for this project.
- 2) We need to set clear expectations for everyone involved.
- 3) It's important that we manage expectations and communicate any potential challenges.
- 4) I think it's essential to set clear goals so everyone knows what's expected.
- 5) Let's ensure we all have a shared understanding of the project's scope.
- 6) We should outline expectations to avoid misunderstandings later.
- 7) Let's make sure we're all on the same page when it comes to deliverables.
- 8) We need to establish realistic expectations for timelines and outcomes.
- 9) Setting clear expectations will help us avoid any confusion down the line.
- 10) We should be transparent with expectations to prevent any surprises.

Recognizing Achievements

- 1) Great job to everyone for reaching this milestone!
- 2) I want to acknowledge the team for the hard work on this.
- 3) It's important to celebrate this achievement as a team.
- 4) Let's take a moment to appreciate the progress we've made.
- 5) I'd like to recognize everyone for their efforts in achieving this.
- 6) Well done to everyone for successfully completing this task.
- 7) This is a great accomplishment, and it wouldn't have been possible without the team.
- 8) I'm impressed with how much we've achieved, let's keep this momentum going.
- 9) Everyone's hard work has really paid off, congratulations to all!
- 10) Let's give credit to the team for their dedication and results.

Clarifying Details

- 1) Let me clarify that point for you.
- 2) Can you elaborate on that for a clearer understanding?
- 3) Just to clarify, we're focusing on [topic], correct?
- 4) Let's make sure we're all clear on what needs to be done.
- 5) Could you provide more details on that so we can make an informed decision?
- 6) Let me clarify what I meant by that point.
- 7) I want to make sure there's no confusion on this before we proceed.
- 8) Can you clarify the timeline for this task?
- 9) I want to confirm that we're all on the same page about this.
- 10) Let's clarify the next steps to ensure everyone is aligned.

Managing Expectations Around Deadlines

- 1) Let's be realistic about the deadlines given the current workload.
- 2) I think we may need to adjust our expectations for the deadline.
- 3) We should manage expectations by acknowledging potential delays.
- 4) Let's set a deadline that's achievable given our resources.
- 5) It's important to communicate if we're not going to meet the deadline.
- 6) We need to review the deadlines to make sure they are still feasible.
- 7) Let's make sure we're managing the team's expectations around this timeline.
- 8) I think it's wise to adjust the timeline considering the current challenges.
- 9) Let's make sure everyone understands the impact of these delays on the overall project.
- 10) We need to balance ambition with realistic deadlines for the team.

Identifying Opportunities

- 1) Let's look for opportunities to improve the process.
- 2) There may be an opportunity here to streamline this.
- 3) Are there any areas where we can enhance efficiency?
- 4) Let's identify new opportunities for growth in this project.
- 5) We should keep an eye out for any opportunities to innovate.
- 6) Let's explore the opportunities that come with this challenge.
- 7) This is a great opportunity for us to think outside the box.
- 8) We have the chance to leverage this as an opportunity for improvement.
- 9) Let's capitalize on the opportunity to improve our processes.
- 10) There are several opportunities here we should investigate further.

Managing Scope Creep

- 1) Let's make sure we stick to the defined scope of the project.
- 2) We need to keep the scope in check to avoid overextending.
- 3) Let's ensure any changes to the scope are well-documented.
- 4) We should assess the impact of any new changes on the current scope.
- 5) It's important to manage scope creep to stay on track.
- 6) Let's revisit the project's scope before we add any new features.
- 7) We need to be mindful of scope creep as we move forward.
- 8) Any adjustments to the scope should be agreed upon by all stakeholders.
- 9) Let's keep the scope in focus and avoid adding unnecessary tasks.
- 10) We'll need to review the project's scope to ensure no unintended changes.

Ensuring Quality

- 1) We need to maintain high standards of quality throughout this project.
- 2) Let's prioritize quality to ensure the final product meets expectations.
- 3) Quality should be at the forefront of everything we do.
- 4) We need to perform quality checks at each stage of the process.
- 5) Let's set clear quality metrics to measure success.
- 6) We must ensure the quality of the work is up to standard.
- 7) Quality assurance is critical, so let's stay focused on delivering the best.
- 8) Let's schedule regular reviews to ensure we're maintaining quality.
- 9) We need to keep the quality of the product in mind throughout.
- 10) Let's ensure our work meets the required quality standards before moving forward.

Handling Conflicts

- 1) Let's address this issue constructively and find a solution.
- 2) We need to remain focused on resolving the conflict, not escalating it.
- 3) Can we discuss the differing viewpoints to find a middle ground?
- 4) It's important we respect each other's opinions while moving toward a resolution.
- 5) Let's ensure we have an open conversation to resolve this disagreement.
- 6) I believe we can work through this if we remain calm and focused.
- 7) Let's take a step back and reframe the situation to find common ground.
- 8) I understand both sides, but let's work on a solution that benefits everyone.
- 9) Can we find a compromise that addresses the concerns of both parties?
- 10) We need to ensure that the resolution is fair and aligns with our goals.

Closing the Meeting

- 1) Let's summarize the key points from today's discussion.
- 2) Before we wrap up, are there any final thoughts or questions?
- 3) To close, let's review the action items and who will be responsible for them.
- 4) I think we've covered everything. Let's finalize the next steps.
- 5) Thank you for everyone's contributions today; let's move forward with the agreed actions.
- 6) Let's ensure we follow up on the action items after the meeting.
- 7) Before we finish, can we confirm the deadlines for these tasks?
- 8) I appreciate everyone's time today. Let's reconvene at our next scheduled meeting.
- 9) Thank you all for your input today, let's keep the momentum going.
- 10) Let's conclude by setting the date for our next meeting and confirming any follow-ups.

- 3) I'm very sorry, but I need to speak to Mr. Guna about something.
- 4) Excuse me, but I need to attend to something.
- 5) I'll get in contact with you tomorrow about...
- 6) Let's talk about this some more next week.
- 7) Let's organize a meeting to discuss this further.
- 8) I'd love to talk some more – when can we meet again?
- 9) It was nice talking to you.
- 10) It was nice meeting you.
- 11) I'm glad we got to talk.
- 12) I enjoyed our conversation.
- 13) Have a nice afternoon!
- 14) Goodbye!
- 15) I'll see you soon!

Asking for Clarification

- 1) Excuse me, could you explain why...?
- 2) Sorry, does that mean...?
- 3) I'm sorry, I don't quite understand.
- 4) Could you possibly give an example?
- 5) Could you clarify what you mean by...?
- 6) Would it be correct to conclude that...?
- 7) Perhaps you could give an example?
- 8) Could you elaborate on that point?
- 9) I'm not sure I follow. Could you explain it a bit further?
- 10) Just to clarify, are you saying that...?
- 11) Can you help me understand what you mean by...?
- 12) I didn't quite catch that. Could you go over it again?
- 13) Could you be more specific about...?
- 14) I'd appreciate it if you could explain that in more detail.
- 15) When you say ..., what exactly do you mean?
- 16) Are you suggesting that...?

Giving arguments

- 1) The advantages and disadvantages are as follows:
- 2) One of the benefits/drawbacks is...
- 3) On the one hand, there is... / On the other hand, there is...
- 4) Those in favor of it argue that...
- 5) Those opposed to it claim that...
- 6) One justification often given is...
- 7) A common misunderstanding is that...
- 8) However, we must not forget that...

Agreeing

- 1) That's exactly what I was thinking.
- 2) I completely agree.
- 3) I think you're absolutely right.
- 4) That's precisely my stance!
- 5) I couldn't agree more.
- 6) That's exactly how I feel.
- 7) Absolutely, I see it the same way.

- 8) I totally support that view.
- 9) You're spot on with that.
- 10) I'm with you 100%.

Disagreeing

- 1) Sorry, I see things differently.
- 2) I tend to disagree with that idea.
- 3) That's not right! I disagree.
- 4) I strongly disapprove of that.
- 5) I'm absolutely against the proposal.
- 6) I'm afraid I don't share that view.
- 7) I have to disagree with you on that.
- 8) That's not how I see it.
- 9) I see it in a completely different way.
- 10) I'm not convinced by that argument.
- 11) I'm sorry, but I can't agree with that.
- 12) That's a valid point, but I have a different perspective.
- 13) I'm not sure I can agree with that conclusion.
- 14) With all due respect, I have to disagree.

Giving an Explanation

- 1) Yes, the main cause/reason is...
- 2) What I essentially mean is that...
- 3) Let me elaborate on my explanation.
- 4) I'll be more specific and show you.
- 5) Yes, for instance... / For example...
- 6) Yes, that's absolutely correct.
- 7) To clarify, what I'm saying is...
- 8) Allow me to explain in more detail.
- 9) To put it simply...
- 10) What I'm trying to convey is...
- 11) Let me give you a clearer picture.
- 12) The key point here is...
- 13) In other words, ...
- 14) This means that...
- 15) To break it down, ...

Ask Someone to Say Something Again

- 1) Pardon?
- 2) I'm sorry, I didn't hear/catch what you said.
- 3) Would/Could you say that again, please?
- 4) Would/Could you repeat what you said, please?
- 5) I'm sorry, what did you say?
- 6) What was that?
- 7) Informal: What was that again...?
- 8) Very informal: What? / Eh? / Mm?
- 9) Sorry, I missed that. Could you repeat it?
- 10) I didn't quite catch that. Could you say it once more?
- 11) Could you clarify that for me?
- 12) Would you mind repeating that, please?
- 13) I didn't hear you clearly. Could you say that again?
- 14) I'm sorry, could you speak a little louder?
- 15) I didn't quite get that. Could you explain it again?

Checking Someone Has Understood You

- 1) Do you know what I mean?
- 2) If you see what I mean...
- 3) I hope that's clear.
- 4) Do I make myself clear?
- 5) Is that clear?
- 6) Do you follow?
- 7) Are you following me?
- 8) Does that make sense?
- 9) Am I making sense?
- 10) You know what I mean?
- 11) Are we on the same page?
- 12) Do you get what I'm saying?
- 13) Are you with me?
- 14) Got it?
- 15) Right?
- 16) Got the message?

Checking have you Understood

- 1) So
- 2) Does that mean...?
- 3) Do you mean...?
- 4) If I understand correctly...
- 5) I'm not sure I understand. Does that mean...?
- 6) Just to confirm, does that mean...?
- 7) Am I right in thinking that...?
- 8) Let me make sure I understand: does that mean...?
- 9) So, to clarify, you mean...?
- 10) Could you explain that part again?
- 11) Could you expand on that a bit?
- 12) Are you suggesting that...?

Changing the Subject

- 1) By the way...
- 2) Before I forget...
- 3) I nearly forgot...
- 4) Speaking of which...
- 5) That reminds me...
- 6) On a different note...
- 7) While I think of it...
- 8) Oh, and another thing..

Don't be dumb (or) Don't be silly, ridiculous, foolish

- 1) I'm afraid I don't know.
- 2) I haven't a clue.
- 3) I'm afraid I haven't got the faintest/slightest idea.
- 4) I'm terribly sorry, but I don't understand the question.
- 5) Sorry, I don't know what you mean.
- 6) I'm not sure I can answer that.
- 7) I have no idea (about) what I am expected to do.
- 8) I wish I knew.
- 9) I must admit, I don't know much about this problem.
- 10) I'm sorry, but I don't know what to say.

Saying Something Another Way

- 1) In other words...
- 2) That means...
- 3) What I mean is...
- 4) That is to say...
- 5) Or rather...
- 6) What I'm trying to say is...
- 7) What I'm getting at is...
- 8) Let me think about that for a second...
- 9) What I'm trying to say is...
- 10) How can I explain this...
- 11) Wait a moment, I'll get to that...
- 12) Give me a moment to think...
- 13) It's on the tip of my tongue...
- 14) Let me gather my thoughts...
- 15) Let me come back to that...

You want to add something

- 1) I'd like to make another point.
- 2) I'd also like to say...
- 3) I'd like to add something.
- 4) I have something to add.
- 5) If I could just add one more thing...
- 6) I'd like to mention...
- 7) Another point I'd like to make is...
- 8) I'd like to bring up something else.
- 9) Let me add to that...
- 10) In addition to what has been said...
- 11) If I may add...
- 12) Just to add to that...
- 13) I'd like to add my perspective on this.
- 14) I'd like to throw in my two cents.

Can you, Could you, Would you

Repeat, please?

Say it again, please?

Explain it again, please?

Spell that word, please?

Write it on the board, please?

Speak louder, please?

Speak up, please?

Speak more slowly, please?
